“ My deepest and heartfelt sympathy to Pastor Sandy and family. Donna truly had a love for Gods' people that was deep,sincere and genuine. I know how dedicated She was in serving the congregations in the Niobrara area and elsewhere. It's been said that laughter is the best medicine. Her laugh was truly a gift. It was distinct,came easily, and was joyful. For me the hearing a good laugh is good medicine too.

“ I had the privilege of sharing Donna and her Husbands time when they lived in Niobrara. Every Thursday with the help of Kris Kotrous I organized and taught KIDS FOR CHRIST (KFC) program for several years. Donna and Sandy were both there to help when needed, sometimes with music or to share Gods word with the kids. It was a special time in my life and Donna always made every day special. She'll always have a special place in my heart of memories. Marla Reynolds
