“ Sorry to hear of your mother's death, Nancy and family. She was a great classy lady. I always admired her style. She was my neighbor for years and I'll always remember her beautiful smile. She was a wonderful friend to my mother-in-law too. They had many great times together. They walked many miles together back and forth to each other's home. ❤️🙏 DeVon and Deb Huebert

“ My sympathy to you and your family Nancy. Have many memories of your mom and dad. Your mother was a gracious lady and loyal friend to many with her visits and cards through the years. She didn't miss events in people's lives very often! My dad sends his condolences as well. There was a picture at Mrytle Buller's funeral of your mom, Mrytle and dad together. Special people!

“ I knew Doris as her pastor for several years. I never saw her without her looking like she was going out to dinner at a high priced restaurant. Her manners were as impeccable as her appearance. But on a deeper level, Doris exemplified graciousness and care. She wrote notes to people to encourage them, one of whom was my brother-in-law, infirm for years, but a recipient of notes of encouragement and care. She will be missed by all who knew her. May her family know the peace of God.

“ So sorry to hear about Doris. Doris was my Sunday School Teacher in Marquette and I still think back of our old church in Marquette where Doris was such a wonderful teacher. I enjoyed very much listening to all the great bible stories she shared. Doris was a beautiful person inside and out and truly will be missed. Terri Luthy, Daughter of Don Pierson.
