“ As a former teacher of Josh, I reflect on the energy and many gifts he brought to me. He was always kind and compassionate and ready to grow and learn. God bless him for serving our country, and may he find peace in the "here-after". Sadly, I send my best wishes to those of us who carry his memories. Mark Gloor

“ Josh and my son were classmates, that is how I got to know this special young man. He never failed to impress.....he was kind, polite, respectful and fun to be around. I remember taking Josh along with my son and another student to Hastings where they represented the Student Council from Central City High School. It was a fun day.
My deepest sympathy!
