“ Roy, Devon, Jeremie, and Chuck, The memories love and friendship I have shared with Sherry for over 40 years will always be in my heart. Even though we haven't spent a lot of time together in the last years there is great comfort just knowing your friend is there, I am so sad that all of you and I will no longer physically get to see or talk to her, but she will forever be in my memory and my heart. My prayer for each of you is that
Jesus wraps you in his loving arms and gives you strength, comfort and peace.
I am sorry I can't come tomorrow but I hurt my back last week and while it is mending I still can not travel that far, however I will be with you in thought and prayer. Love

and hugs to all Nancy Kai Duhachek

“ Devon, Ida, and family,
It has been many years but memories never go away, Sherry, and Ida worked at the Midtown Holiday Inn when I did, and then Devon and I worked at Riverside Inn. Devon you where always special to me. She was pretty young, but God had his reasons and we have to believe that. I wish you and Sherry peace, and God Bless.
