“ Annette was a very special friend. We worked together at PCA/Farm Credit in Grand Island and have had a special bond since then. We enjoyed sharing news about our families and friends. I'm happy to have had some phone conversations with her in the last few weeks. You are all in my thoughts and prayers at this difficult time. She often said "the kids are so good to me" and I know she was good to you. We will all miss her. Ruth Steinkruger

“ Even though we rejoice in the gift of eternal life it is hard to say good-bye. I have many fond memories of playing at the Schulze farm and the fun evenings we would have as children playing together while the grown-ups played cards! Annette's kind heart was evident through her smile and friendliness. I could always count on a warm welcome from her whenever I came home for a visit. I pray God's peace will envelop you as you go through this difficult time. Jesus said to her, “I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live. John 11:25
Sending my love,

“ It was an honor getting to work with Annette on tuesdays and thursdays. She was a special person to me. She would tell me I'm your mother and you better listen to me. And I did. My heart goes out to her children. I am so thankful I went and seen her last Sunday. There really are no words to say to make this any better. But just know that Tuesday morning Heaven got richer and earth got poorer with her passing. Rest in Peace Annette until we meet again. Fly high.

“ Our thoughts and prayers are with all of your family. Annette was our Mom's (Eva) neighbor in Central City for several years. She was always so kind to Mom and all of us! She made soup for the whole family the day we moved Mom from Central City to Wahoo. She was such a kind hearted person! Julie Toline (and the Toline family)
