“ *I'm so sorry to hear about Andy. I use to work at the Aurora Coop with him in Wood River. He always talked about his grandkids and of course his horses. I was just talking about him on Tuesday and wondering if he was still working. I'm so sorry. He was a very kind and wonderful man. Ones thing is for sure you will always have a smile on your faces when you remember all the fun times that were had. He always put his family before himself. My thoughts and prayers are with you all.....
