“ Kathy ~ Bruce & I have really been thinking of you, and we want you to know, how terribly sorry we are, that you have lost David! I myself, didn't know him well, but knew the two of you, through Rod & Gail Hanquist, and The Shop in Clarks! I believe the last time we saw the two of you, was at Hanquist's, this past New Year's Eve possibly! I can't come close, to imagining, how you must be feeling, and the sudden shock of finding David!! Our hearts go out to you and you family and friends. Praying for all of you! Carol & Bruce Bedient.

“ *Though I didn't know David, I am acknowledging the deep meaning his life had for his sister Lou Anne and family and thus, their deep grief. Lou Anne spoke of her brother with pride, fondness and love. I am deeply sorry for the huge holes left in loved ones' hearts, asking that God fill them with His infinite peace and mercy. God bless you all during this very difficult time and in the days to come.*

“ *There’s definitely not enough space here to share all the memories I’ve had with this man. David was a guy that was never short for words. They might’ve not all been nice, but he meant them in a loving way. Dave took me in under his wing when I was about 16-17 years old, to help on the farm. He showed and taught me a lot about farming, cattle and some good life values. Some of which, my mother did not approve of. Dave was the kind of guy that would give you the shirt off his back if you needed it. Over the years working for him, I became very close to the family. I’m pretty sure he would’ve adopted me if my mom would’ve kicked me out of the house from all the extra curricular activities we partook in. The stories could go on forever. In all seriousness, we lost a great friend way to soon. Will never forget you you Paco.
Love Toby.*

“*Dear ones, Heaven gained a really good man, a man everyone could admire for his kindness, honesty, and concern for others. He was a wonderful young man to have in class. I send much love and prayers for grace to surround you during this difficult time. There is no time limit to grief. Be very good to yourselves.*
