Dee was born on September 19, 1933 to Fritz and Pauline Butt on their farm in rural Central City. She attended grade school at District 50 and graduated from Central City High School in 1952. She then married Kenneth "Ken" Luebbe on November 7, 1954 in Central City, NE at St. Paul's Lutheran Church. Dee was a housewife, mother, grammie, friend, and aunt who loved to cook. Her passion for cooking showed when she could take any leftovers out of the fridge and make it into the best tasting meal ever. She was also known to give the best hugs.

Her loves were canning corn, and fresh vegetables, as well as taking care of her garden. She enjoyed traveling, spending time with family and friends and the list can go on and on, but her greatest love was getting to spend time with her grandkids and great-grandkids.

Those left to cherish her memory are her children; Rex (Leanne) Luebbe of Central City and Rhonda (Mike) Patterson of Ft. Worth, TX, her sister; Nadine (Dale) Hilderbrand of Central City, brother-in-law; Bill Grigsby of Aurora,

Sisters-in-law; Alice Butt of Central City and Marilyn Butt of Central City, 8 grandchildren and 14 great-grandchildren.

She was preceded in death by her husband; Ken Luebbe, her parents; Fritz and Pauline Butt, her daughter; Rita Couse, son; Russ Luebbe, sister; Ernestine Grigsby, and brothers; Richard Butt and Roger Butt.

“ Although Dee was my Mother's cousin, she was always Aunt Dee to me. Part of every trip back to Nebraska was a ride out to the farm to get a hug and hello with Aunt Dee. So many great memories from the Archer years living next to Kenny and Dee.

One favorite story from the early 80's, Dee and Ruthie would go for walks. One day, she came home and told Kenny that there were buffalo out west of Gee's house, where Rex lives now. Kenny said that they were drinking too much on their walk and they didn't see any buffalo. She was not amused!! He went to check it out and found Jay parked on the road, wondering where 4 buffalo had come from. They decided that they should round them up, but when they would get close, the buffalo would charge the trucks. A little while later, Cecil Rawlings, came looking for the buffalo he brought home from the sale the night before. With 3 trucks and a lot of help from my dog, Ranger, who could get them to run, they finally got them home. Dee had a few choice comments, "we weren't seeing things", " we didn't make it up", and "WE WEREN'T DRINKING!".

My prayers and condolences go to the family. May you find peace as you share memories with each other.

Love, Ken Gee
