“ *When I moved to Central City Genie and Arlo welcomed me to the neighborhood. A couple who showed such love for one another. Their yard was always immaculately maintained raising the bar for the rest of the residents to keep the pace. Genie was always dressed to the nines whenever she went out. More impressive however was her caring smile which was backed up with a loving compassionate attitude. Great neighbor and friend. Rockie ---we are so sorry for your loss. You were an attentive and caring son all these years. Love to you siblings and family members.*
