“ *Dear Jim, Judy, Steve and Leroy.  
We were deeply saddened to read of your mother's death. Having taught all four of you at Northwest, we had many chances to interact with her. She was always pleasant, and concerned about your education. Beyond the "Northwest Years" we passed her shopping cart many times at good old Skagway Discount Center. which was always an opportunity for a few stories about you.*

*Her memory lives in the four of you. You are special people to the two of us. God Bless You, and may Eva Rest in God's Peace.*
