“ Aunt Kathy, Tony, Denise, Mary Kay and Jerry,

*We send our condolences to you and your families.  
Uncle Jerry was a great man with a big heart. He always had a twinkle in his eye and a smile on his face. One never knew what he might say when he was teasing. He was good at keeping Grandma and his sisters on their toes at family gatherings. May your memories of him bring you comfort.*

“ Aunt Kathy, Tony, Denise, Mary Kay and Jerry,

*Steve and I send our sympathy and condolences to you and your families. We understand how much all of you will miss him.*

*I have many memories of Uncle Jerry.*

*One that comes to mind that says a lot about his character and willingness to help any of us is when Steve and I and the kids had car trouble on the way to Grandma and Grandpa's for Christmas. We were somewhere between Central City and Silvercreek when the car broke down. We called Grandma's to say we were not going to make it and getting ready to call for a tow truck. Uncle Jerry and Steve C. came to the rescue with tools in hand, fixed the problem and we were able to continue on to Grandma and Grandpa's. It meant so much to us that we did not have to miss Christmas that year in Genoa. He always did anything he could to help.*

*I can also picture the grin on his face when he was up to being honery and teasing.*

*He will be missed.*

*We send our love, hugs and prayers to all of you.*

“ *I did not know Mr. Cahill but I see his deceased brother was Dan. If Dan was a coach/teacher at St. Ann's in Lexington, he was one of my teachers. He was a great asset and tremendous loss to our school many years ago. May you find comfort in the memories left by Mr. Cahill. In sympathy.*
