“ I met Harold at Long Term Care not too long ago. He would give me a hard time every time he saw me but he always had a smile and brought a smile to my face. He would wheel himself up and down the hallway and every time he went past my father-in-law's room, he would wave & smile at me. I missed him when he moved to the Care Center. I'm sorry for your loss.

“ I used to talk to Harold at Cottonwood Estates when my mom lived there. I worked with him at Coggies, and used to kid him when he worked for Dick Munn's furniture store in CC. He was a good guy and friend. RIP.
