“ Herolyn was one of the first staff members I met when I started teaching in 1973. She took me under her wing, helped me in so many ways, and was not only a friend but a influence on my success as a teacher. She was a wonderful, caring, kind and inspiring person. She will be missed. Rest in peace dear friend.

“ My heartfelt sympathy to you. I enjoyed water aerobics with Harolyn for several years. She was always a fun and thoughtful person. I remember the King cake she would always bring at Mardi Gras time. When my husband died she brought a big batch of cookies to my house because as a grandma she wanted to bring something for the little kids. So kind and thoughtful. I hope your good memories are a comfort to you. Diane (Mrs Jim) Jacobi
