“ Harriett was such a wonderful lady. I loved having her as a resident. She was so dependable. I loved her hugs and little peck on the cheek. She was so much fun to play cards with. She asked about Kayleen often because they worked at the school together for awhile. Kayleen and I will miss her when we are at Bader. Prayers for your family. Karen and Kayleen Hookstra

“ *I have great adult memories of Aunt Harriett, but the most unique is from my childhood. Uncle Earl and Harriett were married when I was 7. I distinctly remember their “shivaree” at Grandma and Grandpa Meyers. (I don’t think I have heard the word “shivaree” for fifty years. I had to look on Google to spell it and, of course their are alternative spellings. It’s a French word for a newly wed celebration. Popular west of the Mississippi. Why in a German community, I don’t know) The pop, candy bars, and a keg of beer were in the stand-alone garage southwest of the house. Great times. Marvelous celebration for a wonderful couple who had many great years and five fine children in their future.*
