“ Michael and George just want to let you know how sorry I am for your loss. She was very dear to me and mom. She was always my favorite aunt. I know how hard it is, having gone through this myself not so long ago. I took comfort in the fact that my mom was out of her pain and that she could run and never tire. I'm on facebook if you want to get in touch. My love and prayers are with you all at this sad time. Julie Burge
