“ Jeremy I love you so much, You and josh were my brothers from another mother. When you lived here in Colorado I loved when you lived with us. I have so many great memories but 1 I'll never forget is the time we went to a local restaurant after church and we told our waiting staff that it was your birthday (which it wasn't) and they made you do the twist. I always told you that you were the brother I always wanted and you would say oh sis I will always be your brother. Your love for the lord and others was incredible. I wish I could have one more day, I will miss you Jer.

“*Our sincere sympathy and prayers for your family. Jeremy stayed with us in Grand Island for a period of time before he went back to Iowa. We lost touch, but he was always kind and gentle, and loved the Lord Jesus. May he rest in peace!*
