“ So grateful to know Jim my cousin. My family has great memories of him along with the other cousins he now has in Heaven, along with Rick and Pam. I can only imagine all the conversations there will be. Along with his dad and Jerry their will be alot of reconnecting for him.

Our cousins have suffered great losses within the last year and my heart is with all the families concerned. God Bless Jim

“ For those of us that knew Jim, knew he had an addiction to alcohol. I don't know that any of us truly got to know who uncle Jim was due to his addiction. We do know that we loved him and for my cousins, grandma Betty and my dad....I pray that you take comfort that he is now free from addiction and embraced in Gods arms.

“ *God’s Peace to Jim and his Family. I remember Jim growing up and all us cousins hanging out together at Aunt Betty’s house. Gone way too soon.*
