“ *Aunt Judy,
How I am going to miss your laugh and smile, you always shared both abundantly. I am thankful for all the conversations we shared about our love for Jesus. This world is going to be a little less brighter without you in it, but then to know you are now part of the "great cloud of witnesses" looking down and cheering us on brings me great joy. I am always so thankful when parting is not "goodbye" but "see you later".*

*Love always,
Lynn*
