“ Life, I wasn't done n it sent but the truth is he is gone, not gone away. There is a space in your hearts that will always be empty where he had a place in your life. Treat that space with tender loving kindness, grateful for the time we had with him, comfort in all learned about " the struggle" we go through. I send my arms around you all in spirit and wish for you too graciously accept it as you let him go, but still hold him close. Always remember gone, NOT GONE AWAY, love and comfort. Jaysen

“ I literally grew up with Matt and Kevin, every Sunday, and wed night we were playing and misbehaving at the Berean Fundamental Church, now community Bible for like the first 12 plus years of my life. He always made me laugh and had either a smirk or mischievous look when intentional was about to say or do something off kilter from how we were " supposed to behaving". I only caught him off n on in our busy adulthood and wasn't able to see him back in Central City.
I adore you Carol, such a kind heart to me as a person and Nurse all through my life and Matt, you and I always start where we left off when we run into each other
We all live a dash between 2 dates, n it is disheartening for me to see my friends cut short. You guys, your extended family, Sherri, Connie, have been with me my whole
