“ My deepest sympathy to Larry's family. I worked at Cargill when I first moved to Central City and have fond memories of Larry stopping by the office. Lots of hands of 5 pt. pitch at break time. He we so much fun! I particularly loved the statement in his obituary that said his greatest love was his family. He showed it everyday. It was my great privilege to have these memories and to have known him.

Praying for God's comfort for you during your time of loss.
