“ *Worked with Lou for years at Werner Enterprises. Always a good man and he always knew about a good eating place if you told him where you were going in the United States. Always mild mannered and friendly. Never saw him get mad and stomp his feet. He didn't swear either. Darn good truck driver as well. We always teased him about never buying a set of tires on anything. Always traded before it got to that point. RIP : Lou. Charley Endorf*
