“ *Margaret, the best. She was such a wonderful friend to us. We shared so many things that friends do and had many laughs and fun. She was always there for us and such support when we needed it. Bill and Margaret were the best neighbors and when it came time to go our separate ways ,they were always with us in our hearts. She fought hard with the setbacks she had to face in her life and did it with grace and love. We will miss her so much and will hold her in our hearts forever. Love to you Margaret and your family.*

“ So fond of Margaret, I always loved visiting with her about life. She was so proud of her kids and grandkids. My son also got to know her when he helped her with her garden the past year. So sorry for your loss she was such a wonderful sweet lady! She will be missed.

“ I worked with Margaret while serving as the Merrick County Health Nurse in 1980. She was always so upbeat and fun. My folks (Geogore & Nadine Brandes) lived close to her home. Margaret always had such a beautiful garden and flowers. Such a good person. She will be missed.

“ *Thinking of you Dave, Rob and Jen and your families. Margaret was one of a kind. The sweetest and strongest lady I'd ever met. I'll cherish the time we spent together and the things I learned from her. She was my first friend when I moved to Central City in 1991. Saying prayers for all of you as you get through this sad time. She will be greatly missed by many 🥺*
