“ Sherry and family-- My deepest sympathy to you all. Your mother, Marilyn, was such a classy lady. She just "held" herself in a regal manner. I always admired her & your Father. I know you'll miss her like crazy. But she's in a place of peace and with your Dad and her friends/family.

“ Wonderful knowing Marilyn & Don are together again. They were always meant to be. Always first to help a neighbor or family member It was in both their personalities to do unto others and they always did what was needed for all. Shari and Kevin your parents will never be forgotten. They loved your families beyond what any parents hope to do. Unconditionally was 100% how they valued family and friends. Knowing your family made us all strive to be better. Love and prayers. Carolyn Reeves Falk.

“ It is with a sad heart I am writing. Marilyn and I were card buddies. Since I lost my own mother, I have adopted the Greens. I would send anniversary, birthday and other holiday cards to her and Don. At Christmas time I would have Sherry take them gifts. What a wonderful life she and Don shared. I appreciate all the times Sherry would share stories of her parents when we would travel to jazzercise together. May all the stories of her life be kept close to share with the great grandchildren. Many blessings of comfort today, tomorrow and in the future.
