“ I don't remember not knowing Mary. Besides being on Woody's bowling team with my Mother (Aline Nielsen), they were good friends. I used to hang around the bowling alley when the team was bowling, growing into their score keeper. (If any of you know what happened to the picture of Woody's bowling team that hung in the cafe, I'd sure like to be able to get a copy of it). They were a special group of ladies. For Memorial Day, we'd go to Mary's and Dick's and get some peonies to take to the cemeteries. They were absolutely beautiful. My Mother had her build a cedar chest for my daughter's High School Graduation and it's still a beautiful treasure. My condolences to all of you. Cherish your memories as I am. Chris (Nielsen) Wait

“ I remember going to Dick and Mary's house in the morning with my dad Rusty Fuehrer for coffee. He really enjoyed their company and working on projects with her.
