*Aunt Murina was such a beautiful lady. She was kind, loving and fun to be around. I chose a yellow candle because her smile would warm my heart and light up a room. She was so much like her mother. I loved her very much. Robin*

*Dear Family Members and Friends of Murena,*

*My thoughts and wishes are for each of you as you miss Murena here on earth. She is safely with Jesus, her kind and loving Savior in Heaven I was privileged to know Murena well one year when we were teachers together at Zion Lutheran School, Worms, Nebraska. It was her first year of teaching grades 1 through 4 and I taught 5th through 8th that year. We worked closely together since we didn't have a Pastor for the first half of the year. We did have a vacancy Pastor who came as needed. Murena was a very nice, pleasant and kind friend for me. We stayed together at a member's home across the road, spent evenings there and had a bedroom in their home - we got along very well.*

*She was a good and knowledgeable teacher. I missed her then since we went our own ways after that year. I married Eugene who finished at the seminary in St. Louis and had his first call to Illinois while Murena continued teaching at Worms and then married Wayne Meyer from the congregation within a couple years*

*God richly blessed Murena's parents with a loving daughter and her husband, Wayne, her siblings and friends also.*

*Sincerely, Joan (Bader) Vetter*
