“ For the Schreiber family - I have very fond memories of hanging out at your home when I was in junior high school. I always admired how strong your family unit was and how important faith was in your family. It was many years ago but those memories are very meaningful and still warm my heart.

“ I only had the good fortune to meet Paul for only a couple of brief occasions while he was here in Texas visiting his daughter Dee and Family.

*I know Dee so very well, and her family is an amazing example for us all in how to live in faith. Paul has left a terrific legacy in his children, grand children and great grand children.
His life will always live on though his family.*

Truly the mark of a good man.

“ *Ruby, Linda, Deanna, Larry and family:*

On behalf of my family, I would like to express our deepest sympathy. You guys were the best neighbors ever as I was growing up. I remember the great cook Paul was when he had us all over for burgers on the grill. Miles put us all far apart; but it's the memories that will always keep us close.

*Sincerely,
Cindy, Pam, Jim, Bruce, and Mary Cramer*
