“ A great mother, friend, coworker and neighbor to all. You kept on chugging along smiling and making jokes no matter what hand you were dealt. Thanks for giving us boys everything you had and more, ill miss your laughter and sense of humor the most. These next few days and beyond will be a fitting tribute to a life well spent. Thanks Mom, miss you already.... If any reading this are unaware, my Mom had childhood memories of losing her Uncle Lester in the South Pacific in WW2. His plane went down and him and his fellow Marines were never recovered. This has always been something close to my mom's heart, all donations will go to the South Pacific ww2 museum as they continue to honor and pay tribute to those who paid the ultimate sacrifice. The museum is on the same island that Lesters plane took off from when it went missing. We will always honor the sacrifice he made (link to his info and info for museum)
