“ I remember Peggy, Patty, Larry, Rick, and believe the other boy was Bill. My Mom, Bev Ostrander, and her sister, Gloria Glover, spent time visiting friends in Central City when us kids were in grade school. Patty and Peggy ALWAYS were friendly to us girls, smiles a mile wide is in my mind of whenever we saw Peggy. I want the family to know that the Bridger family made a LONG LASTING bank of memories with their willingness to share the good times with us. Darlene was a gem, and I think she passed that on to the kids. I send my deepest sympathy to the family as you go through this tough time of sharing memories of Peggy, who was taken way too soon. Hugs, know many of us care deeply, even though we have not seen each other for years, you have been in my heart and mind many times. Becky (Ostrander) Otto, Aurora, Ne.
