“ You will definitely be missed Randy! I'm so appreciative that I got to have Randy in my life!!! He was always so patient with me! Taught me so many things! Just one example is Pot-roni(Pot pie and mac and cheese). It actually wasn't too bad. I will forever be grateful, love and miss you!! Teri Haase

Randy you were the best brother anyone could ask for. You had a big heart and always quite but never ever have I ever heard you speak bad about anyone. All never forget the time when you stuck up for me when I was 11 you sent me to the store to get some pop and this one girl grab the sack out of my hands and pop went all over the parking lot and I came back crying and you asked me why I was crying and I told you what happen. So then we went back to the store and we found that girl and you told her off. And then you taught me how to depend myself. Never had snymore problems after that. I looked up to you Randy for that I will miss you brother I know in my heart your in a better place.And your not alone no more. Love you Randy tell mom and dad and David and Ray and especially Judy that I said hi and love them. You will be missed.
