“ Dear Austin and Family,  
So shocked and sad to hear about Rebecca's death. I remember her bringing you to my house to practice reading. She was so determined when it came to you and your family. I think of you often and how you and your family helped me move. (Do you remember us lifting you through my garage window?) She is a true angel. You are in my thoughts and prayers, Julie Baker

“ *I was sorry to read about Rebecca's passing. I so enjoyed our time working together at the Elementary School years ago. She worked with a little boy, Nathaniel, and they made many stops in the office to visit. I'm sure she'll be missed by many. My sympathy goes out to the family. Shirley Nelson*
