“ I have been in bad shape since an April 15 car wreck and just found out today about Ruth. It really upset me and I'm sorry I wasn't there for her service and to see you all and share your grief. She was part of my life since the earliest memories, from when Amy n Lei arrived, to the goats, 4-h with my mom and host of events. She's gone, but never gone away. Love and spirit to you all.

“ Ruth was a friend who encouraged and taught and supported and helped me in so many ways... from canning and gardening advice to loving us through wedding alterations, from leaning in for a warm smile and a hug where you knew you were loved, to helping with my children and housework when they were little while I got to teach piano to her girls. She leaves a memory of love for Jesus and genuine love to those around her.
