“ I spent a lot of time with my cousins at the Brondel house, and have lots of fond memories! I never remember Todd getting mad, unless his little brothers were being pests or someone invaded his space. Toddy was always helpful, patient, and gentle. I can still hear his laugh, and am so thankful for who he always was!

“ Telling jokes like Henry and Elliline walking on the railroad tracks, battling with stingrays, stealing your after work snacks to piss you off, stealing your truck so I could go get my own snacks. Always gonna treasure those memories of our Toad. RIP Frogger
