“ *Viola was a very nice, caring, and lovely lady. She always liked having me around, and I enjoyed the time that I had to talk to her and get to know her while staying with her and my good friend Matthew. She had a love for cats and always took care of animals. She was the type of person who had a heart of gold and would lend a helping hand to so many people, including myself, several times. She was always busy, but for good reasons; she was a great person. Viola was the lady that everybody in the area loved to sit by and have a conversation with; she was the neighborhood favorite and definitely deserves that title and trophy. It was a blessing to be able to know her, and I will miss her. My heart goes out to her family and friends. May we meet again, Amen.*
