“ Grandma was such a kind, thoughtful, caring person. I never heard her say an unkind thing. She raised four wonderful kids, always kept her home immaculate, was a good friend to many and instilled the value of family in her kids and Grandchildren. She made the best homemade egg noodles, buns and cinnamon rolls ever! I'm going to miss so many things about her...her smile, her quiet loving demeanor and her chuckle, to name a few things. I am so happy that she was my Grandma. I will always cherish my memories of her. R.I.P. Grandma Vie. I love you. Sending you (((HUGS))) up to Heaven.

Your Granddaughter,
Melissa
