“ Going to miss grandpa so much!! I was always so thankful and lucky I got to go on almost every South Dakota to with him and grandma and will cherish all the memories!! Because of them I now know almost all of the distant family the rest of my family never really gotten to know! But very happy he is now in a better place on the outskirts of heaven with all of his cows! Also will never forget all the baby animals I got to help with and of course if dad didn't like them take it to grandpas!
