“ I will never forget how you all decided to come to Wisconsin to celebrate your Anniversary. What an honor it was to host such a wonderful event. No matter when we came to visit Nebraska, we were always made to feel welcome and there would always be a place for us to sleep. I guess another thing I will not forget is the horse you had on the farm that liked to take a nibble of your leg while riding him. Wayne always had a smile and loved to tease. There was never a doubt, his family and wife was his world. There was a place in his heart for the entire gang and was so proud of them. He was an angel on earth and is now an angel in Heaven.
